Влезте в профила си, изберете курс и добавете ново Задание.

The screenshot shows the Canvas LMS interface. On the left is a dark sidebar with navigation icons for Account, Admin, Dashboard, Courses, Groups, and Calendar. The main content area is titled '1Test > Assignments'. At the top right of this area is a 'Student view' button. Below it is a search bar for assignments and two buttons: '+ Group' and '+ Assignment'. The '+ Assignment' button is circled in red. Below these buttons is a 'Tasks' section with a list of items, each with a document icon and a status indicator (green checkmark or red X).

Студентът може също така предварително да изпрати документа за проверка, ако настройката е включена.

The screenshot shows the 'Create Assignment' form in Canvas. The 'Assignment name' field is filled with 'Test'. Below the name field is a rich text editor with a toolbar containing options for Edit, View, Insert, Format, Tools, and Table. The editor's content area contains the text 'Test'. At the bottom of the editor, there is a status bar showing 'p', '1 word', and various icons for undo, redo, and other editing functions.

Въведете името на Заданието и описанието му.

Within academia, plagiarism by students, professors, or researchers is considered academic dishonesty or academic fraud, and offenders are subject to academic censure, up to and including expulsion. Some institutions use plagiarism detection software to uncover potential plagiarism and to deter students from plagiarizing. Some universities address the issue of academic integrity by providing students with thorough orientations, required writing courses, and clearly articulated honor codes. Indeed, there is a virtually uniform understanding among college students that plagiarism is wrong. "Nevertheless, each year students are brought to their institutions' disciplinary boards on charges that they have misused sources and try to cheat in their schoolwork." [23]

However, the practice of plagiarizing by use of sufficient word substitutions to exclude detection software, known as rogeting, has rapidly evolved as students and unethical academics seek to stay ahead of detection software. [24]

Despite phenomenon of plagiarism is very sensitive in academic society, there is no much done to move forward with academic integrity in many countries. The reasons are various: lack of legislation and regulations, poor practices implemented etc. Within last few years the plagiarism scandals became loudly discussed both among politicians and academic community.

"An extreme form of plagiarism, known as contract cheating involves students paying someone else,
