Handbuch für Administratoren

Bevor Sie mit Brightspace arbeiten können, müssen Sie Ihre LTI auf unserer LTI-Plattform registrieren.

Gehen Sie auf den Link  <https://lti.strikeplagiarism.com>

The screenshot shows a web browser window with the address bar displaying "lti.strikeplagiarism.com". The page title is "StrikePlagiarism.com Platform Manager's dashboard" and there is an "English" language selector in the top right corner. The main heading is "How do you access StrikePlagiarism LTI?" followed by the instruction "Select the LMS and follow the guide." Below this, there are two selectable options: "Canvas LMS" with a red square icon containing a white circular pattern, and "Brightspace" with an orange circular icon containing a white stylized letter 'B'.

Using StrikePlagiarism with Brightspace

Step 1. Create LTI-tool

Go to the "Admin Tools" and select "Manage Extensibility"

The screenshot shows the Brightspace Admin Tools interface. At the top, there is a navigation bar with the user's name "Jessa's Learning Zone" and several utility icons (grid, mail, chat, bell, D5 D2L Support, gear). Below this is a row of icons for "Announcements", "Calendar", "Quick Eval", "Discover", and "Data Access". A large banner reads "Welcome to Brightspace!". Below the banner is a "Google Search" dropdown. The main content area is a grid of administrative tools, with the "Admin Tools" menu expanded to show a list of options:
