## Using StrikePlagiarism with Brightspace

### Step 1. Create LTI-tool

Go to the "Admin Tools" and select "Manage Extensibility"

The screenshot shows the Brightspace user interface. At the top left, it says "Jessa's Learning Zone". The top navigation bar includes icons for announcements, calendar, quick eval, discover, and data access. A large banner in the center reads "Welcome to Brightspace!". Below the banner is a Google search bar. On the right side, the "Admin Tools" menu is open, displaying a list of administrative options. The menu items are organized into several categories:

- External Links

Melden Sie sich bei Ihrem Konto als Administrator an.

The image shows a screenshot of the D2L Brightspace login interface. At the top left, the logo "D2L BRIGHTSPACE" is displayed. Below the logo, the heading "Log in to Brightspace" is centered. The login form is enclosed in a rounded rectangle and contains the following elements: a "Username \*" label above a text input field, a "Password \*" label above another text input field, a blue "Log In" button, and a link labeled "Forgot your password?". The D2L Brightspace logo is also present in the bottom right corner of the page.
